## Mount Madness Hare Scramble Gets a Thumbs Up

315 riders at-  
tended the Mount  
Madness Hare  
Scramble. A big  
thank you goes out  
to all the workers  
who put the race to-  
gether in a short  
amount of time.

Over all the rid-  
ers enjoyed the new

course. For the veterans it  
brought back memories of  
the way Hare Scrambles  
used to be.

Mount Madness staff,  
the local Fire Department  
& Chamber of Commerce

were impressed with the  
professionalism of the  
event.

It looks like the MVTR  
Hare Scramble has found  
a new home in Ossipee  
NH.

## Nifty 90 Trail Ride 2002

I was lucky enough to  
go that Thursday. There  
were 2 forty-five mile runs  
that were fun, fast and a  
little bit slick. There were  
guided tours if you didn't  
Blink, but the route sheets  
were very good and people  
that left a little later still  
came riding along follow-  
ing the roost of the front  
tour guide, led by Bill. It  
was killing Mark not to  
ride (broken foot) never  
mind racing that evening.  
Steve got over \$100 in do-  
nations and passed them  
in to the MVTR treasurer.

Thanks goes out to  
Jolly Rogers MotoSports  
Park for the use of their  
grounds. I watched some  
of the Motocross and  
thought the track looked  
great, had a bite to eat, the  
food was great. The flat  
track was starting and I  
watched that while the  
kids were out there. Some  
kids looked like "big boys"  
but that was up and com-  
ing. Bill's kid was having  
a blast. Ray Lajoie was  
trackside waiting for the  
big boys to come out and  
race. Well my ride was  
leaving and we were out of  
there. Thanks Moose for  
the day of Riding. Great  
Trails.

Z-Man, Johny Lighten-  
ing, Heath Bar, What-  
ever.....

# Z50's For Big Boys

By Dave

Who in the MVTR club or close to it, has Honda 50's and have you ever raced them? This is not an invitational yet! But I would like to get some feedback from other Big Boys.

I have raced with some of the finest racers you could go up against in Maine on the Invitational Buckfield run, what a Blast. "Thaaaank You, Jimmy"

I have had some fun races at my place on a small scale but was wondering who else was into the sport of Mini Bike Rac-

ing. From what I have been learning from the sport it can be a 70 in a 50 frame or a 90, or a 110, but it has to be in a 50 frame. I think that sounds about right. But you might have to run in the back or even in another class if you were killing everybody, especially the house. Right....Fun time was mine and I am just checking. You can contact me at 798-5895 or e-mail me at davesplace@attbi.com Johnny Lightening, Z-man, Heath Bar, Super Scout II...

## Rocky Enduro Meeting

There will be a meeting on Wednesday August 7<sup>th</sup> at 7:00 p.m. at Freedom Cycle. This is one hour before the regular monthly meeting. I would like anybody that is interested in helping with this event to be there. If you are interested and can not make it please email me at [icolom@attbi.com](mailto:icolom@attbi.com) or call at 603-895-4567

### Family Day

The Family day is schedule for September 14<sup>th</sup>.

**It will not be a Jolly Rogers. At this time we do not have a set location. More information will be in next month newsletter.**

### Work Party

Don't miss the upcoming Hop-Ev work party. The area needs some general trail maintenance.

See Wayne Zawadowicz at the **August MVTR Meeting** for date and time.

## GSATV/Special Olympics Raffle Tickets

Granite State ATV, your OHRV political voice for the state of NH, has gotten together with "Special Olympics of New Hampshire" to put together a raffle that gives you the chance to win an Arctic Cat Quad coupled with a beautiful aluminum trailer and cover.

30% of the proceeds will go directly to MVTR, 20% to GSATV, and the remaining 50% will go to Special Olympics. We urge you to participate and help out. This is one of GSATV's biggest annual fund raising opportunities, and it's first chance to show Special Olympics what a great bunch the wheeled OHRV community will be to work with in the future.

Please mail tickets with payment back to the MVTR at...
